

# L'ARTIST

The newest restaurant on the Sliema block, L'Artist, is a welcome change from the norm. The restaurant, run by restaurant manager Gino Micallef, specialises in fusion cuisine, with a range of innovative and delicious dishes, all prepared by chef Steve Schembri using only the freshest produce, such as beef, fish, duck, lamb and chicken. L'Artist prides themselves not only on their innovative food ideas, but also their unique food presentation. L'Artist is a perfect combination of creative food in a rustic ambience, with a modern touch.
